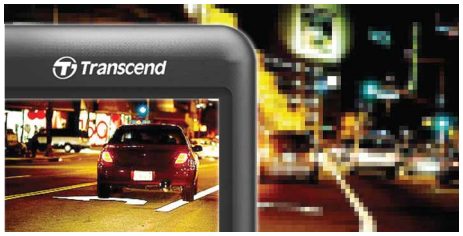
Wi-Fi connectivity and exclusive App

Car Video Recorder | DrivePro™ 200

Day or night, the DrivePro Car Video Recorder is your dependable eyewitness on the road. Mounted on your windshield, the DrivePro automatically records every detail of your journey in high clarity as it happens. It even includes wireless smartphone connectivity to let you download and share videos whenever needed – perfect for reporting incidents to insurance companies or police.



7 Glass Lenses for Ultra Sharp Edges

Emergency Recording Function

- F/2.0 aperture for low light conditions – great for both day and night driving
- 160° viewing angle gives an extra wide perspective of on-road events
- Bright 2.4-inch color LCD screen for live view and video playback
- Motion G-Sensor detects impacts and automatically protects current recording
- Built-in microphone and speaker can record and playback sound if desired

DrivePro™ 200
